

CAMPING

WITH KENTUCKY EXPOSITION CENTER

Welcome, and thank you for choosing your overnight stay with us. Camping is \$75 a night and requires a \$75 non-refundable deposit which covers your first night's stay.

This guarantees a 20/30 amp electrical service (50 amp service is offered on a first come, first serve basis), use of a dump station, place to fill or empty water tanks and access to the restrooms/shower house located in the RV lot next to RV Office. A few sites have water (weather permitting) and sewer hookups available that are

first come first served. We have 150 electric spots and approx. 50 water/sewer hookups (water hookups weather permitting). We recommend bringing an extra water hose (50-100 ft), extension cord and sewer hose with you.

Dry camping (no electrical, water, or sewer hookups) is \$50 per night and requires a \$50 non-refundable deposit which covers your first night's stay. Dry Campers are welcome to use our restroom/shower house, a location to fill or empty water tanks and use of a dump station.

WHEN YOU GET HERE

The RV Lot is located in Lot L on the west side of the Kentucky Exposition Center (see enclosed map). When you make your reservation, a confirmation will be emailed to you, or mailed if no email address provided. Present your confirmation form to the gate attendant in the PASS LANE, to waive the parking charge.

Once in the RV Lot, check in at the RV Office (located in the middle of the RV Lot, next to the restrooms). The RV Attendant will collect any fees due, give you a placard to place in the window of your RV, and issue a parking pass that is valid during your stay. This will allow your companion vehicle to come and go without paying any additional parking fees. We allow one parking pass per RV site reservation.

If an attendant is not on duty when you arrive, find a place to park, plug in and check in at the RV Office first thing in the morning. If an attendant has not checked you in by 8:30am the next day, call the Access Control office at (502) 367-5380. If you were not able to check in, a security guard may come by during rounds and check that you have a reservation.

NOTE: All access gates are closed at 11:00pm EST. If you plan on arriving late at night, access to the facility may not be available. If that case, call the Security Office at (502) 367-5360 for assistance.

Prices are subject to change without notice. All RV fees are payable upon arrival. All receipts and reservations are non-transferable.
